Subject: Draft - AdvanSix Spin-off Notification
Attachments: 2016 08 23 - 2016_AdvanSix Spin Off - Draft.docx

Kris,

Thanks for your time this morning. As discussed, attached is the draft notification letter describing the spin-off of Honeywell Resins and Chemicals LLC. Let me know if you have any questions or if you would like for me to set up a conference call to discuss with others. My plan was to submit this letter by August 31st.

Phil
